Subject: Deficient Amended Notice of Intention to Commence Small Mining Operations, Martinique Mining Corporation, Crescent Creek Mayday Mill, S/017/043, Garfield County, Utah

Dear Mr. Wilson:

The revisions to the referenced Notice of Intent to Commence Small Mining Operations (NOI) received by the Division on April 28, 2009 and May 13, 2009, are incomplete. The following information is required:

The maps you provided must include a scale and north arrow. The Division usually prefers that disturbed area boundary maps be based on topographic maps rather than on Google Earth photographs.

On January 5, 2009, you submitted a new NOI which was received by the Division January 13, 2009. The Division asks that you consolidate all of the changes made since January and re-submit the NOI form so there can be one complete document. The existing NOI is out of date and not in a form that is currently used.

If you have any questions regarding this letter, please call me at (801) 538-5261 or Wayne Western at (801) 538-5263. In reply, please refer to file number S/017/0043. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
